RE: 200 1-2003 STIP Amendment #6
Modification to Prior Approval

Dear Mr. Perkins:

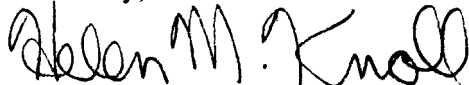

The Federal Transit Administration (FTA) has reviewed your December 5, 2001 request to modify our November 13, 2001 approval of the STIP Amendment #6. The modifications you request are consistent with the January 2, 2002 Federal Register notice for FTA's Fiscal Year 2002 Apportionments, Allocations and Program. Your request is approved. We will consider the effective date for including these projects December 5, 2001.

Please note that the following projects also received funding in the FY 2002 budget. They must be included in the STIP before FTA can approve the projects.

City of Wasilla Bus Facility	\$ 600,000
Fairbanks Clean Fuel Buses and Bus Facility	\$1,500,000
Mat-Su Community Transit Buses and Facilities	\$1,400,000
Port McKenzie Bus and Bus Facilities	\$1,500,000
Port of Anchorage Intermodal Facility	\$2,950,000

If you have any questions about this approval, please contact Jennifer Bowman at 206/220-7953.

Sincerely,

Helen M. Knoll
